Safety Data Sheet

Product Name:

PURE Hard Surface

Issue Date:

01/09/2015

Date Revised:

NA

Distributed By:

PristineHD, LLC P.O. Box 302

Cedarhurst, NY 11516 Telephone: 844-777-4784

Email: info@pristinehd.com

Recommended Uses:

Ready To Use Hard Surface Disinfectant and Food Contact Surface Sanitizer.

In Case of Emergency: Have the product container or label with you when calling a poison control center or doctor. You may

contact CHEMTREC 1-800-424-9300 for emergency medical treatment information.

GHS Classification - Not Classified

Unclassified Hazards: May cause slight eye irritation

Precautionary Statements: Avoid direct skin and eye contact. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to

do. Continue rinsing. If eye irritation persists: Get medical attention.

Components: The specific chemical identities and exact percentages (concentrations) of composition have been withheld as a trade secret.				
None of the ingredients is considered hazardous according to the criteria of 29CFR1910.1200 and DOT Reg 49 CFR 172. Ingredients are listed for informational purposes to assist emergency medical response personnel.	Wt%			
Water (CAS No. 7732-18-5)	> 95			
Citric Acid (CAS No. 77-92-9)	< 5.0			
Silver lons	0.0030			

Eye Contact:

Hold eyelids open and flush thoroughly with a steady, gentle stream of water for at least 15 minutes. If irritation persists consult a physician.

Skin Contact: Inhalation:

Rinse with water. If irritation persists consult a physician.

If breathing is affected, remove victim to fresh air and consult a physician.

If irritation or discomfort occurs, call a physician. DO NOT INDUCE VOMITING.

Flammability:

Not flammable or combustible.

Flammable Limits:

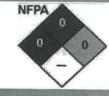

Not applicable.

Extinguishing Media:

Not applicable.

Fire and Explosion Hazards:

None.

Response to Spills:

SMALL SPILLS: Contain spill, flush to sanitary sewer, and rinse area with water. LARGE SPILLS: Dike or dam spill, pump to containers or soak up with inert absorbent, and prevent runoff to creeks and waterways. Personal Protective Equipment is not normally required. Avoid contact with eyes.

Handling Precautions:

Close container tightly when not in use.

Store in a cool, dry place. Do not contaminate food, feed, or drinking water. Keep from freezing. Keep out of direct sunlight.

PERSONAL PROTECTION

an identified for using this product under directed consumer use conditions. The following s and for other conditions and situations where there is increased potential for accidental, large-

Hygionic Practices:

Avoid direct eye and skin contact. If irritation occurs, flush thoroughly with water. When product is applied to a floor surface, signage should be used to indicate slippery areas until they are dry.

Engineering Controls:

Personal Protective

Use general ventilation to minimize exposure to mist. Eyewash station is suggested.

Not normally required. If contact is likely for prolonged or repeated contact, eye and hand protection is recommended.
