### Features & Benefits

WypAll® is the number one brand of disposable wipes in the US and Canada. Create a clean work environment with light to medium duty general cleaning solutions. When you're looking for a lighter-weight towel at an everyday great price, you can trust WypAll® General Clean L30 Heavy Duty Cleaning Towels. They are designed with the DRC (double re-creping) process, which gives you high surface softness (a towel-like feel) with a reinforced grid that's strong for wet surface wiping and cleaning. These WypAll® General Clean L30 Heavy Duty Cleaning Towels are a great choice to replace air laid towels. They're also tough enough for light-duty processing, janitorial tasks and maintenance (as an alternative to towel rags in a box). They're a trusted tool to help you get the job done right.
