

STORPLUS™ PERMALABEL™ Food Pans

*Step Away From
Sticky Labels*

Streamlined Food Labeling

Food rotation labels make food labeling, storing, and serving a simpler and safer process. Exclusive StorPlus™ PermaLabel™ food pans feature universal date labels manufactured directly into the mold.

The labels feature a larger writing space and are easily updated using a grease pen or dry erase marker and include bilingual universal indicators including use by date, shelf life, and days of the week.

Increase Sanitation

No bacteria attracting adhesive residue

Quality That Lasts

The label is part of the pan & won't come off during use, washing, or day-to-day handling

Features & Benefits

- **End Sticker Shock:** Spend less time purchasing and applying stickers and removing adhesive label build up.
- **Improved Accessibility:** Easily capture critical information for health code compliance – in English and Spanish.
- **Clear, Clean Communication:** Larger, easy-to-read fields assist in HACCP compliance and make food labeling simple.
- **Quality That Lasts:** Labels molded into the polycarbonate pans last the life of the pans, which have a 1 year manufacturer's warranty.
- **Size & Selection:** Three polycarbonate pan sizes and a variety of lid options.

Clear Communication

Use-by date, shelf life, & days of the week fields in English & Spanish that can easily be filled out with grease pens & dry erase markers

Reduce Waste

Rounded pan corners reduce waste from left-behind foods

Size & Selection

Three polycarbonate pan sizes & a variety of lid options
