

# CloroxPro™ Clorox® Franganzia® Cleaners

## New Formula. New Scents. Same Great Franganzia.

With a new citric acid-based formula, and a line of appealing fragrances, Franganzia® is the multi-purpose cleaner you can rely on to freshen up office and retail spaces, restaurants, schools/daycare centers, outdoor areas—anywhere you want to leave the vibrant scent of clean behind.

### LONG LASTING FRESHNESS

Franganzia offers an array of unique, optimized fragrances to help deodorize spaces and eliminate unpleasant odors. Put the finishing touch on your cleaning with NEW Lavender Meadows Scent, NEW Citrus Blossom Scent or Spring Scent.

### HIGHLY VERSATILE

Franganzia is a multi-use product that effectively cleans, degreases and deodorizes. The dilutable formula can be used in mop buckets or spray bottles, depending upon your cleaning needs. Franganzia can be used diluted or full strength for tougher cleaning tasks. It can even be used for freshening colorfast fabrics in the wash, such as smelly restaurant aprons, work uniforms and cleaning towels!

### pH-NEUTRAL AND BLEACH-FREE

With a bleach-free pH-neutral formula, Franganzia can be used on a wide range of hard surfaces and floor finishes. For example, use on bathroom tile and porcelain after disinfecting or use on hardwood or linoleum floors to leave the area smelling fresh and clean.

## Scent Matters

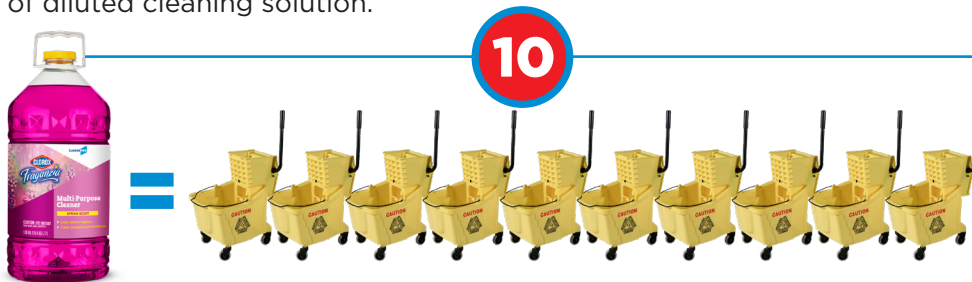

Cleaning professionals rely on effective deodorizers and pleasant fragrances to help **create clean, healthy public spaces.**

**40%** of cleaning professionals believe that malodors **negatively impact** customer/guest perceptions of their facility<sup>1</sup>

**75%** of consumers report that clean/pleasant smells **help them feel safer** in public facilities<sup>1</sup>

## Value Size

The large size bottle is perfect for use in offices, daycare centers, restaurants, school and other commercial facilities. One 175-ounce bottle makes 43 gallons of diluted cleaning solution.

**One 175-ounce bottle makes 10 (4-gallon) buckets of diluted solution**
