500 Hogsback Road • Mason, Michigan 48854 • (800) 248-5960

**Certificate of Compliance  
New York State Hazardous Packaging Act**

Effective January 1, 2023. Dart Container Corporation and its affiliates (collectively “Dart”) certify that the food packaging which it manufactures, sells, or supplies to consumers and distributors within New York State does not contain intentionally added perfluoroalkyl or polyfluoroalkyl (PFAS) substances and is compliant with the requirements established by the New York Hazardous Packaging Act, Title II of Article 37 of the Environmental Conservation Law. This certificate of compliance shall be effective from the date it is executed and shall remain in effect unless rescinded in writing.

Signature: Francie L. Giromoni II

Date: September 13, 2022

Title: Executive Vice President and Secretary
