

SOLO® Compostable Paper Cold Cups

Solo® Compostable Paper Cold Cups

- **Compostable** — Compostable in a commercial composting facility which may not exist in your community. Not suitable for backyard composting. Meets the ASTM standard D6868 for commercial compostability
- **Renewable** — Made with at least 64% renewable resources.
- **Sustainable Alternative** — We source fibers certified under the SFI chain of custody.

SOLO® Compostable Paper Cold Cups

Features

Lid interchangeability

Single-lid solution for 2 most popular sizes minimizes storage space while increasing operational efficiencies

Custom printing

Available in up to six spot colors

Wax treated paper board

Provides moisture resistance and protects the cup walls from weakening

Smooth rolled rim

Provides additional strength to cup and allows for a secure lid fit

Stock prints

See Cup and Lid Availability Chart for details on stock print availability per size
