

## Vote for Versa™ Dispensing System by Dial® today!

The Dial® Professional Versa™ Dispensing System is an ISSA Innovation Award candidate!

Did you know California signed a bill\* that bans hotels from supplying small plastic bottles to reduce the number of plastic containers being thrown away by hotels and guests? Shaping the future of amenity and hand care dispensers, Versa™ is designed to ensure less mini amenity bottles end up in landfills. The simple yet sophisticated shape works with all your amenity and hand care needs from body washes, shampoos, conditioners, soaps, sanitizers, and lotions.

Sophisticated. Innovative. Modern. Economical. Ecological. Strong. And Customizable. Visit Booth 2510 to learn more!
