# Celebrating 50 Years of Clean

Our family began this company in 1967 with a mission to make affordable, plant-powered cleaners that work great and protect our planet's resources. Today, our family is still more committed than ever to helping you create a healthy home for you and your loved ones.

For decades we've focused on how well our products clean and how clean our products are, because what goes into the bottle comes back out into the world.

Plant-powered, family-friendly cleaners straight ahead!

# LAUNDRY & LAUNDRY HELPS

---

Now you can give your family a plant-powered boost on laundry day! Clothes tumble out clean, soft and comfy because ECOS™ liquid laundry products are dermatologist-tested to be hypoallergenic. Even better, a money-saving softener is built right in!

Whether you're a laundry expert or the get-it-done-fast type, we have the tools for you. From easy-to-use packs to powerful multipurpose ECOS™ OxoBrite®, you'll have loads of clean in every basket!

# PET CARE

## POWERED BY PLANTS

---

Whether you have a high-energy dog that leaps at the sound of your voice or a sweet-natured cat, ECOS™ for Pets! has plant-powered strength to keep the ♥ coming. We'll help you go from messy to clean quickly. We even have a training aid to keep your little chewer at bay!

Our conditioning shampoo has soothing emollients and vitamins to soften dry skin and shine furry coats. We're proud that our Free & Clear and Peppermint Shampoos were the first pet shampoos certified by the U.S. EPA's Safer Choice program.
