

U.S. EPA Safer Choice Certified

“Helps consumers, businesses, and purchasers find products that perform well and are safer for human health and the environment.” - U.S. Environmental Protection Agency

- 90% of consumers are interested in cleaning products made with safer, healthier ingredients; 44% say they'd pay more for safer, healthier options.¹
- We offer over 70 Safer Choice certified products—more than any company.*
- Safer Choice Partner of the Year 2015
- Logo is displayed in prominent positions on labels, trays, and POP materials so it'll catch your customers' attention right away!
