

## WORLDVIEW™ MOLDED FIBER CONTAINERS

Here's some food for thought: our WorldView™ base options from Eco-Products® are strong, grease and cut resistant alternatives to traditional plastics. They're available in a variety of shapes, compartments, and sizes to ensure your food gets the perfect presentation. Pair our renewable bases with renewable or post-consumer recycled lids and these sets can handle any cold, hot, saucy, creamy, or buttery dish you can throw at them.
