

Skin Care Program

KEEPING HANDS CLEAN AND HEALTHY

High quality skin care products and support tools designed to simplify your skin care.

- Simple to understand and easy-to-use
- People like and prefer to use
- Do the job effectively and efficiently
- Safe and convenient to use

Helps maintain a safe and healthy workplace with cost effective solutions that respect the environment

Real Benefits

Improving Health & Safety

- Help prevent the spread of germs
- Reduces the risk of occupational dermatitis
- Increases compliance - people doing the right thing

Enhancing your Environmental Standing

- Foam technology reduces water usage by up to 40% and supports LEED certification
- Recyclable cartridges and biodegradable formulations
- Formulations are EcoLogo™ and USDA BioPreferredSM certified

Reduces Total Cost

- Lowers costs associated with illness and absence
- Eliminates waste through controlled product dosage
- The right product throughout your facilities

Universally Understood

We help to ensure that installed skin care products and dispensing systems are universally understood to enable correct usage:

- 1 Color-coding
- 2 Brand Identifier
- 3 Easy to understand wording
- 4 Single, global product identification codes

PROTECT

Pre-work creams to help protect the skin in the workplace and facilitate easier hand washing.

CLEANSE

Appropriate hand cleansers to meet the specific cleaning needs and preferences of each workplace environment.

SANITIZE

Use without water to kill germs and provide a high level of hand hygiene. Ideal for use at the work point, medical rooms, receptions, cafeterias and public areas.

RESTORE

After work reconditioning creams to help maintain the hands in healthy condition by keeping the skin soft and supple and avoiding dryness.

SCJP Support

EDUCATE

The provision of employee education, training and awareness materials to encourage good skin care practice.

AUDIT

Conducting audits to help establish and maintain the effectiveness of the SC Johnson Professional® Skin Care Program.
