## Customizable Solutions

Install one, two or three dispensers according to your needs. The dispensers seamlessly nest to create a clean look.

## Take a Closer Look...

1. Unique non-corrosive key. Locking mechanism helps prevent tampering and vandalism.
2. Reservoir holds 2.36 oz. (70 mL) of hand soap, enough for up to 70 washings. It ensures that no product is wasted and provides uninterrupted service to customers.
3. 15 oz. (443 mL) refill cartridge assures constant fresh supply of high quality product and prevents stagnant formula build up.
4. Bottle empties completely so no product is wasted.
5. Bottle is induction sealed for additional safety. The seal is auto punctured when installed in the dispenser, allowing a mess-free installation.
6. Each push dispenses 0.03 oz. (1 mL).
