Marcal Paper, Putney Paper, and Nittany Paper Mills, LLC have come together to form Marcal Holdings. Our strengths and expertise in paper-making created a first-in-class company focused on the away-from-home market, at-home, and everything in between.

Together at our fully integrated mills, we have the ability and range to customize fiber and pulp production, cultivating a complete portfolio of paper products that meet the needs of a multitude of industries.

Using the most modern technologies, our products range from 1000' roll towels, facial tissue, napkins, and more. Touch-less dispensing, paper made with 100% recycled fiber, economical prices, and customer service that exceeds expectations are just the beginning of the Marcal experience.

We strive to exceed expectations throughout every aspect of our company. With a distribution network, throughout North America, we offer innovative solutions that not only fulfill the requirements for our touch-free society but also do so in an economical and earth-conscious way.

Call us today and speak with one of our friendly and knowledgeable sales representatives.

Everyday Solutions for Everyday Needs.

AWAY-FROM-HOME PRODUCTS

Ideal for high-volume environments, we offer a complete range of paper solutions for all commercial environments: healthcare, hospitality, manufacturing, food service, retail, and property management, and more.

OFFICE & BREAKROOM PRODUCTS

Designed for smaller environments we have products that are easy to store and easy to move. Specially designed features such as convenient Draw & Store™ bags, individually wrapped rolls, and easy roll-out corrugated cases for sanitary storage.

AT-HOME PRODUCTS

We offer a family of value-priced, sustainable, paper products designed to fit affordably into the working household's budget. Ranging from Earth-friendly, septic safe tissue to super soft kitchen roll towels.

Eco-Minded Vision

Take the guesswork out of Going Green. Our Green Seal™ products live up to standards that offer very clear and measurable criteria to the industry. From governments to universities, to office buildings, Marcal helps businesses and institutions of all types green their purchasing, operations, and services. You can transform your organization and make a positive impact. Our programs offer the tools, resources, and information to show you how.

Our Green Seal™ products are 100% recycled, which meet or exceed guidelines. Green Seal products are made using chlorine-free processing, energy, water efficiency, and content of 100% recovered materials with a minimum of 40% post-consumer material for towels and 20% post-consumer material for bath tissue.

Marcal Pro

Roll Towels

Experience the benefits of our hard-wound roll towels. We offer a wide selection of paper towels that work perfectly with our dispensing systems. Each is designed specifically to enhance your operation's efficiency.

Choose from a variety of roll towels ranging from natural, white, and TAD (Through-Air-Dry) products. Whether you are looking to boost the cleanliness and hygiene of your workplace environment or lower operating costs, we have the products to fit your needs.

Our bath tissue ranges from the most premium quality TAD items that offer unmatched softness, & comfort with a luxurious feel, to our 100% recycled tissue items that are whitened without chemicals containing chlorine, contain no added fragrances, are septic-safe, hypoallergenic, and virtually lint-free. Soft, bright white and absorbent, and eco-friendly is the new standard for bath tissue manufactured from 100% recycled fiber.
