

Go-gallon Liquid Bags

Rofson’s Go-Gallon liquid bags offer a new way to store and sell beverages. Great for both catering and carryout, they hold one gallon servings of non-carbonated cold beverages and come with tamper-proof tops. They come with tamper-proof tops.

These containers are created for minimal environmental impact, as design minimizes packaging and freight cost, and the storage footprint is a fraction of similarly-sized HDPE/PET jugs. In addition, they are made of recyclable material (♻️).

Go-gallons can be custom-printed through a 4-color process to create rich branding experience on the go.

- Single use for bulk beverage catering and carryout
- Stores liquids up to 18 hours
- Produced from materials which fully comply with FDA Rule 177.1950 for food contact
- Easier to carry than HDPE/PET jugs
- Significantly reduces inventory space
- Wide-mouth design (33mm) for ease of fill and pour
