

# Custom Rigid and Folding Box Capabilities

## We can manufacture a box to your custom specifications.

BOXit Corporation has over 80 years of manufacturing experience to help you bring your custom packaging project to fruition. We produce both folding and set-up boxes and we pride ourselves on our quality, creativity and reliability. We specialize in both small and large production run quantities.

**Set up Style Boxes:** A rigid box in three dimensional construction which is over-wrapped in paper/material and delivered ready to use. Ideal for Electronic Products, Candy, Cosmetic, Jewelry, Stationary, Board Games and many more.

**Folding Style Boxes:** Boxes made from bending grades of paper board. Cut and creased into a wide range of sizes and shapes. Can be printed or plain. Usually arrives to the customer flat or collapsed. Ideal for Consumer Products, Food Service, Gift Boxes, and many more.

We offer a wide-range of capabilities to assist you including:

- Lithography & in-line Flexography printing.
- Set-up box manufacturing lines that can close with platforms, foam, cotton or custom inserts.
- Both web and sheet fed die-cutting presses.
- Foil stamping and embossing.
- We can fold and glue numerous styles including straight-line, auto-bottom, four-corner, six-corner carton, etc.
- Vinyl box forming.
- Window patching

Minimums for the most competitive pricing start at:
