HOSPECO is an industry leading manufacturer and supplier of disposable wipers and towels, disposable gloves, SPHERGO (proprietary microfiber flat surface cleaning system) and washroom specialty items. This line creates a one-of-a-kind bundle available direct-from-the-source that is customizable to a variety of market channels - foodservice, jan-san, office, industrial/safety, etc.

Our company's heritage dates back 100 years. HOSPECO's tenured experience serves as the foundation for which we continue to build excellence in global sourcing, product development and more efficient converting and manufacturing – ultimately providing our customers with lower costs and improved service without compromise to quality.

In the pages of this catalog, we have positioned our product offering to better service and support the needs of the foodservice channel inclusive of QSR's, casual dining, schools/cafeterias, c-stores and grocery as well as the foodservice channel distributors who service them. HOSPECO has serviced the foodservice channel in North America for more than 20 years and continues to invest in foodservice related R&D. We are NSF approved.

What sets HOSPECO apart? Our industry knowledge, our tenured experience, our passion for this marketplace and our desire and ability to customize our products and services to meet each of our customer's unique needs.

All items within our 8 different product categories can be bundled in one order for shipping from Knoxville, TN or Reno, NV. Not only can you purchase industry-leading products from each category at competitive prices and with our full sales and marketing support you can streamline your supply chain, minimize your inventory, and increase your ROI.

We thank you for the opportunity to share HOSPECO and are appreciative of the prospect to be of service to you.
