

## Scott® Essential C Fold Paper Towels (01510) with Fast-Drying Absorbency Pockets, 12 Packs / Case, 200 C Fold Towels / Pack

01510

### Features & Benefits

Scott® Essential provides reliable balance of efficiency, performance and value. When you're looking for a reliable paper towel for your business – in a kitchen, office or restroom – Scott® Essential C Fold Paper Towels are a great choice. Even though they're economical, they are packed with innovations that help keep your commercial and business restrooms efficient. The Cfold design is made especially for smart stacking and unfolding, and the built-in Absorbency Pockets (to soak up a lot of water fast) mean that one of the C Fold towels can typically get a drying job done. The unfolded towel measures 10.125 inches wide x 13.15 inches long, and is compatible with most universal multi-fold and C Fold dispensers (sold separately). Each pack comes with 200, single-ply recycled white C Fold towels. You'll want to buy them in bulk so you won't risk running out!

- Scott® Essential C Fold Paper Towels are designed for single-use general-purpose cleaning and drying; the single-ply design helps reduce waste
- The built-in Absorbency Pockets mean that the commercial towels soak up lots of water, fast, so they get the drying job done right
- The c-fold (sometimes called a tri-fold) facilitates stacking and unfolding and the 10.125" x 13.15" size is compatible with many universal and c-fold dispensers
- Buy them in bulk to reduce your risk of running out
