Features & Benefits

Scott® Essential provides reliable balance of efficiency, performance and value. Selecting Scott® Essential Jumbo Roll Coreless Toilet Paper is a smart choice for your business. It brings you high capacity and each roll offers 15% more than standard jumbo roll toilet paper brands, so you'll have to order less frequently. It's an economical choice, but thanks to its 2-ply design, it's also soft and durable. Scott® coreless bath tissue meets EPA guidelines for post-consumer waste, is FSC and ECOLOGO certified, and sewer and septic safe. It's elemental chlorine-free (ECF) and reduces packaging waste with 100% elimination of core waste when compared to cored commercial jumbo rolls.

- The Scott Essential Brand stands out among coreless toilet paper brands for its superior quality; this roll has 2-ply softness
- Each coreless roll has 15% more bath tissue than standard industrial jumbo rolls
- FSC and EcoLogo certified and meets EPA's minimum requirements for post-consumer waste (at least 25%).
- Sewer and Septic Safe
