HEALTH & BEAUTY CARE

## ABOUT US

**With over 50 years of manufacturing experience, Blue Cross Laboratories is a leader in providing top quality Health and Beauty Care and Household Cleaning products** supplied to dollar stores, supermarkets, mass merchants and drug stores, as well as the wholesalers serving these customers. It is one of the largest privately held manufacturing companies of Household Cleaning and Health and Beauty Care products.

Blue Cross Laboratories maintains over 150,000 square feet of manufacturing space at offices and warehouses located in Santa Clarita, California and Phoenix, Arizona. The California plant is conveniently located 90 minutes from the Port of Los Angeles which makes it an excellent location for export.

Currently, Blue Cross Laboratories has over 75 products in Household Cleaning and 75 products in Health and Beauty Care. Blue Cross is committed and dedicated to maintaining its current position as one of the leading low cost producers of high quality products.
