# Dial® Eco-Smart™

## Amenity Dispensers

*Committed to Corporate  
Social Responsibility*

## Take a Closer Look...

1. Unique non-corrosive key. Locking mechanism helps prevent tampering and vandalism.
2. Reservoir holds 2.36 oz. (70 mL) of formula, enough for at least 15 showers. It ensures that no product is wasted and provides uninterrupted service to customers.
3. 15 oz. (443 mL) refill cartridge assures constant fresh supply of high quality product and prevents stagnant formula build up.
4. Bottle empties completely so no product is wasted.
5. Bottle is induction sealed for additional safety. The seal is auto punctured when installed in the dispenser, allowing a mess-free installation.
6. Each push dispenses 0.03 oz. (1 mL).

## Eco-nomical

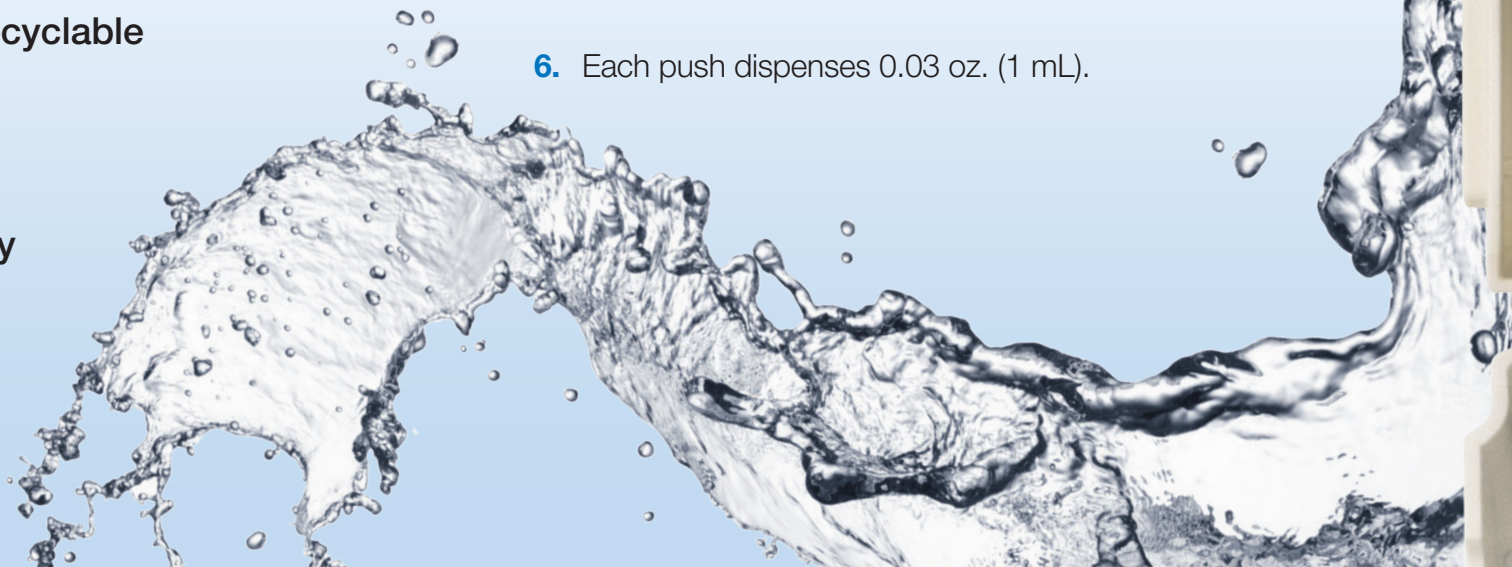

- At least **50% cost saving** over traditional amenities
- Increases housekeeping's **overall efficiency** by reducing the time required to set up each room

## Eco-logical

- Each refill will keep approximately **220** small amenity bottles out of landfills
- The refill bottles are **100% recyclable**

## Smart

- Offering guests the **nationally preferred** brand refills

## Product Specific Refill Bottles

Adjustable adapter positions prevent cross contamination:

**Body Wash**  
Adapter position #1

**Shampoo**  
Adapter position #2

**Conditioner**  
Adapter position #3

**Hand Soap**  
Adapter position #4

## Customizable Solutions

Install one, two or three dispensers according to your needs.  
The dispensers seamlessly nest to create a clean look.
