

Kari-Out®

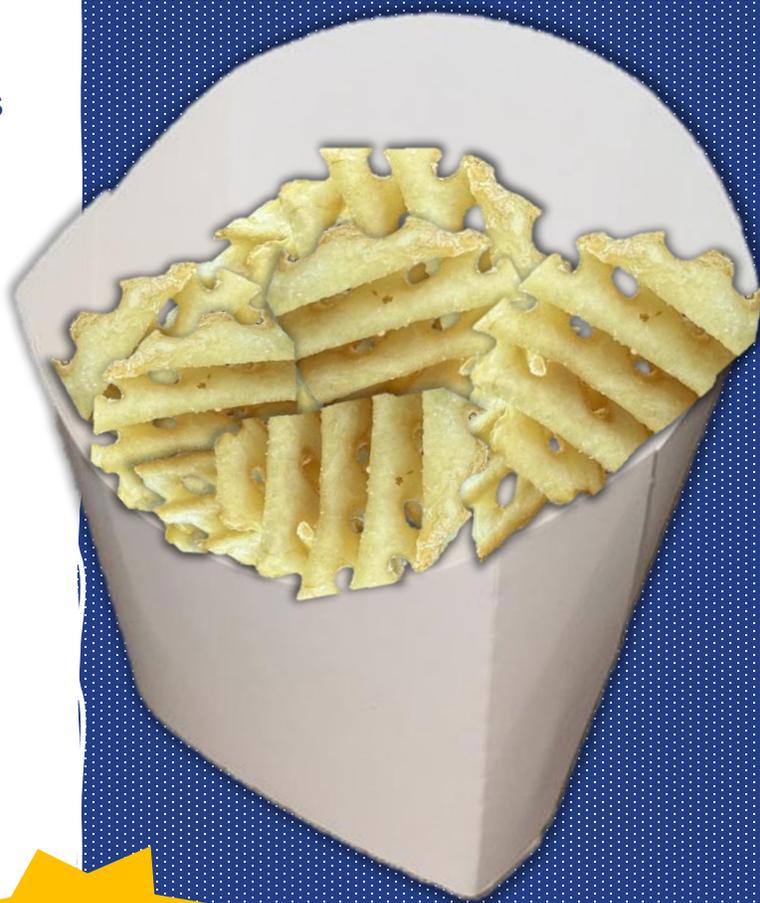

FOOD SCOOPS

Kari-Out® offers a wide assortment of paper food scoops, designed to meet a variety of serving needs with ease and efficiency. Our paper food scoops are made domestically here in the USA.

Available in **multiple sizes**, these scoops provide flexible functionality across snacks, sides, and full portions.

Paper remains an economical and hygienic substrate—lightweight, disposable, and ideal for fast-paced food service environments. Whether you're plating fries, popcorn, or pastries, our scoops deliver consistent performance. Perfect for fast pace commercial kitchens.
