

Superior Meal Visualization & Protection

Protect meal presentation and deliver peak freshness with ProView™ Close-Off containers

PROVIEW™ CLOSE-OFF: THE PINNACLE OF FOODSERVICE CONTAINERS

ProView™ Close-Off containers merge back-of-the-house efficiency with positive customer experiences. With compartmentalized bases and lids, the containers enhance off-premises operations by keeping food contents in each compartment intact, protecting meal presentation, and helping replicate in-house dining.

Versatile and recyclable*, ProView™ Close-Off containers can be stored in the refrigerator, reheated in the microwave, and placed in the dishwasher. The container's design allows restaurant staff to quickly and easily verify the accuracy of customer orders.

Uphold the integrity and presentation of foodservice orders. Available in multiple sizes to meet your business needs.
