Solution

PET Bowls

These clear packaging solutions make all the difference as they are produced with up to 30% post-consumer recycled content along with being curb-side recyclable.

Genpak PET serving bowls are perfect to showcase salads, produce, natural snacks, confectionary items, and so much more.

Wide diameters and deep profiles ensure safe and secure uses, while maintaining an eco-friendly user experience. Offered in a variety of popular sizes, ranging from 12 oz. to 64 oz.

Features:

- Produced with up to 30% post-consumer recycled material
- Crystal Clear Lids
- 100% curbside recyclable
- Dishwasher Safe
- Freezer Safe
- Stackable
- Oil & grease resistant
- Made in the USA
