Cutler ease® Dispensing System

Clean, Hygienic Cutlery

- Cutler ease innovative design dispenses clean cutlery one piece at a time.
- Tape tabs offer easy pick up and loading of cutlery into cartridge without having to touch any part of the cutlery.
- Handle-first delivery ensures guests touch only the handle of the cutlery they are taking.
- No trays or levers; helps prevent accumulation and transfer of germs and bacteria.

Space Savings

- Compact footprint: <1 ft² for 3:1 space savings over the other guys.

Efficient Dispensing

- Customers can take only what is needed. 3:1 space savings over the other guys.
- Cutler ease design automatically dispenses one piece of cutlery at a time.

**Compostable in commercial facilities only, which may not exist in your area.*

Cutlery Loading Tabs

Handle-first delivery

Cartridges slide in and out easily for loading

Red tab on the face indicates when cutlery is low and it's time to reload

Priming trigger loads cutlery for dispensing with one touch
