The D&W Difference

D&W Fine Pack is an industry-leading innovator of convenience food containers, cutlery, straws and kits for foodservice, supermarkets and food processors. D&W offers stock and custom products with features that “respect the food” every time. D&W will help you to select the products with the ideal characteristics for your needs, such as high/low temperature performance, tamper-evidence, secure-sealing and sustainability requirements. Plus, every D&W product is backed by a customer service team that is dedicated to your satisfaction.
