

2018 PRODUCT CATALOG

We Bring More To The Table®

About Us

WNA is a leading designer and domestic manufacturer of an expansive line of plastic disposable tableware and packaging products. From Concept to Completion®, our expertise with different manufacturing processes and a wide variety of materials offers you the broadest range of single-use solutions in the industry. With nine North American manufacturing sites, WNA is known for innovation, stylish designs and quality products that add value and provide solutions for special events and every day. Well-known brands such as Reflections®, Masterpiece® and Classicware® emulate the beauty and elegance of permanentware while adding quality, convenience, safety and practicality.

Our customers inspire us and in turn, we seek to inspire them! By listening to the needs of our clients, and monitoring industry trends, the WNA New Product Team delivers convenient products that can be used creatively to increase perceived value and overcome operations obstacles. While many WNA products, such as catering trays and tumblers, are everyday staples, other items are chosen for special events or to capitalize on a unique theme or trendy menu. Disposable products offer the unique convenience of changing the look and feel as often as needed.

Our Mission:

Provide innovative, stylish and functional single-use foodservice products and packaging solutions that provide convenience with a sophisticated, upscale appearance.

Customizing Products to Fit Your Needs:

Customizable printing techniques for Envisions™, Spectrum™ and Signatures™, are noted where applicable throughout the catalog. For definitions, technique specifications or sizes, please visit wna.biz. and see pages 74 and 75 for additional information.

Custom Packaging Design

If You Can Think It, We Can Make It.

We are . . . INNOVATIVE

Creativity is our fuel. We are never satisfied with “good enough”. Pioneering is what we do. We think big, break new ground and take risks accordingly.

We constantly aim to deliver a better bundle of products, better service, better quality, and better innovation. As a result, we provide innovative, stylish, and functional food service and packaging solutions that provide convenience and sophistication.

From Concept to Completion®, our engineers and in-house design team work with you to seamlessly develop the product that is right for your application. Therefore, if we do not have a product that fits your needs, we can develop an innovative custom product complete with custom embossing or imprinting that will result in your distinctive branding success.

Our customization process below shows how we work with you to design the best packaging to meet your needs and satisfy your customers.

Materials and Recycle Information

Most WNA products can be either single-use (use and throw away) or hand-washed and reused. Our plastic tableware products are recyclable where facilities exist. Recycling facilities may not exist in your area. Please support recycling in your community.

Material	Benefits	Temp Range
PET / PETE / RPET	High-Gloss finish, excellent clarity, lightweight, resistant to cracking and crushing	0°F to 140°F
HDPE	Good flexibility, lightweight, good impact resistance	32°F to 175°F
LDPE	Excellent flexibility, lightweight, resistant to cracking, high impact strength	0°F to 150°F
Polypropylene	Durable, strong, heat resistant, retains flexibility at low temperatures, microwavable	32°F to 215°F
Polystyrene	Rigid superior strength, exceptional clarity	40°F to 180°F
ABS	Durable, strong, heat resistant retains flexibility at low temperatures, microwavable	40°F to 185°F
