# Windex® Original Glass Cleaner Change Announcement - Action Required

1. Prepare for go-live on the new 8 count.
2. I will communicate the **exact change date** within the next couple of months.
3. Images attached
4. **Add the new 8 count trigger before January 2021 to avoid loss of sales. Please add as a brand-new SKU. Note: the UPC Unit Code is not changing. See the following slides for Item Set Up Specs.**
5. Go live: Add the 8 count as an alternative to the 12 count when their 12-count stock gets low.
6. Inform your Supply Chain and Warehouse teams by providing the new data and a graphic for reference.
