KRAFT | P C

Packaging & Cups

New to the market and right on trend with a refreshing natural look, Kraft PAC is a range of high quality food packaging and cups. Made with Kraft material and designed to provide maximum strength and performance, the range includes Sandwich wedges, Salad Containers and Ripple Wall cups.

Our new shaped Ripple Wall Cups offer excellent insulation and comfort in hand, while displaying excellent strength and sturdiness.

Features of Kraft PAC; giving a natural look and feel:

- ☞ 100% food contact safe grade materials
- ☞ Perfect for take away or outdoor events
- ☞ Elegant, Strong & Sturdy
- ☞ Easy to close and stack
- ☞ Excellent printability
- ☞ PE coated or Bio Oil Coated perfect for hot, cold, wet or dry foods
