Since 1954, Nilodor has provided odor control and facility care solutions for commercial markets. As a trusted USA manufacturer, we use our proprietary technology to achieve continual proven performance. Whether you need an odor control program for your facilities or a complete carpet maintenance program, Nilodor has the right solution for you.

ODOR CONTROL - RESTROOM

Water Soluble Deodorizers

* Available in Single Scent Solution

Cleaning and deodorizing time can be greatly reduced by adding our water soluble deodorizers to cleaners or plain mop water. This allows the user to clean and deodorize the total surface area in one easy step.

NILIUM™ Water Soluble NEUTRALIZER Concentrate

- Dilutes 1 oz. per gallon
 - Compatible with
 - Cleaners
 - Disinfectants
 - Quats
 - Multi-Purpose

Nilodor's exclusive Single Scent Solution ensures a coordinated fragrance for all steps of cleaning and odor control. Co-mingling multiple scents may lead to a more offensive odor than the one you're trying to eliminate. Additionally, it can lead to people wondering what malodor you are trying to hide.

Single Scent Solutions are extensive. These products address all four stages of restroom odor control and cleaning.

ODOR CONTROL - RESTROOM

Urine Removal

 Available in Single Scent Solution

Our Bio-Enzymatic URINE DIGESTER's natural enzyme-producing bacteria work around the clock to break down and digest urine, feces, vomit, and other organic odor-causing sources. One daily application of URINE DIGESTER on grout, subflooring, walls, and other surfaces, during daily maintenance, is all it takes to eliminate the source of the odor.

URINE DIGESTER will penetrate deep into the grout and sub floor where a bulk of the urine is located. Our DIGESTERS also contain an odor counteractant and light fragrance that can last up to 24 hours.

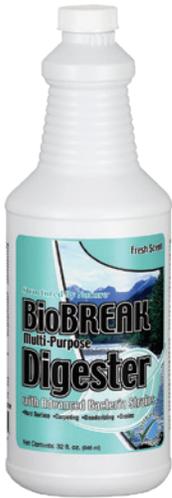

URINE DIGESTER™ with Odor NEUTRALIZER

Breaks down & digests organic odor and waste
 -Contains:
 Bacteria
 Enzymes
 Odor Counteractant
 -R.T.U. or Dilutable
 -Multi-Purpose for hard surface and carpeting
 -Works around the clock

BIO-BREAK™ Multi-Purpose Bio-Enzymatic

- R.T.U. or Dilutable
- Deodorizer with advanced bacteria strains
- Works up to 24 hours
- Great for GREEN Restroom programs
- Can be used with most carpet care chemicals

GREEN SEAL® CERTIFIED	quart / 12 case	gallon / 4 case
BioBREAK	32SBN BBZYM	128SBN BBZYM

Also available in 5 and 55 gallon

BioBREAK is the first GREEN SEAL® Biological (GS-53)

This product meets the Green Seal® Standard for Specialty Cleaning Products for Industrial and Institutional Use, GS-53, by avoiding ingredients that are toxic or harmful to humans and the environment and efficient use of packaging material.

- Carpet
- Grease Traps
- Restrooms
- Septic Systems
- Floor Drains
- General Cleaning

Not available for sale in Canada

Common Cleaning Enzymes & Facts:

- **Protease** - Breaks down protein based stains from urine, feces, vomit, & dairy
 - **Amylase** - Digests starches like gravies and potatoes
 - **Lipase** - Breaks down fat based stains such as grease & fats
- Can withstand temperatures up to 180°F.

We recommend that you apply the digester around the urinals and commodes after the floor has been mopped with an all-purpose cleaner or quat. By doing this after mopping you have created the moist environment for the bacteria to work. This is a very simple step and requires very little training.

** CRI's Seal of Approval (SOA) program is all about cleaning efficacy and constant improvement. The carpet industry's only scientific program to test and measure the effectiveness of cleaning products and equipment. The program helps consumers make informed decisions and manufacturers improve their products. The results are cleaner, healthier, and longer-lasting carpet.

Available in Single Scent Solution

Nilotron™ Designer Series Dispenser

• Interchangeable front panel color inserts	6 /case
• Daylight or 24 hour settings	Designer Dispenser with grey insert 03190

Ready-To-Use Cleaners

Mold & Mildew Stain Remover

- Phosphoric acid, caustic soda and bleach FREE
- Eliminates mold stains, soap scum, dirt & hard water build-up.
- Safe and user friendly
- Pleasant, low impact odor for use in confined spaces.
- Ready-to-use

quart / 12 case

Mold & Mildew Stain Remover 32 MMSR

Removes stubborn mold and mildew stains on tile, grout, porcelain, fiberglass, and all non-porous areas. Mold & Mildew Stain Remover harnesses the cleaning power of inhibited (safe) hydrochloric acid coupled with a new surfactant technology used to clean and degrease aircraft engines. With regular use, Mold & Mildew Stain Remover will create an acidic environment which is not favorable for the growth of common mold species.

Why Do Encapsulating Cleaners Work So Well?

- Encapsulating Benefits**
- Leaves no harmful residue
 - No rinsing required
 - Prevents soil wicking
 - Eliminates rapid resoiling
 - Carpets stay cleaner longer
 - Environmentally safe

- VERSATILE -**
Can be used with low moisture equipment and is compatible with traditional carpet cleaning equipment
- ECONOMICAL -**
Dramatic time, labor and chemical savings

 ECOLOGO Certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

 CRI's Seal of Approval (SOA) program is all about cleaning efficacy and constant improvement. The carpet industry's only scientific program to test and measure the effectiveness of cleaning products and equipment. The program helps consumers make informed decisions and manufacturers improve their products. The results are cleaner, healthier, and longer-lasting carpet.

SPOT & STAIN REMOVAL

- 1- Identify your spot and reference the spotting chart.
- 2- Always pre-test the spotters on an inconspicuous carpet section before using.
- 3- Apply the spotter to the effected area and blot and tamp with a white clean towel. Do Not Rub!
- 4- Always work from the edge to the center of the stain.
- 5- Repeat if necessary until the stain is gone.
- 6- Rinse with clean water and blot dry.
